We appreciate your cooperation in keeping our students and staff safe.

### Student Council Update:

The Noble Student Council is made up of two students from each 4th and 5th grade class. The student council provides leadership and support for school-wide activities. This year, student council members worked with the school-wide Food Drive, the Pennies for Patients fundraiser and Noble School Carnival. Other activities included making daily morning announcements, providing suggestions to school administration regarding individual and school-wide incentives and tracking incentives earned by classrooms. Next year, 4th and 5th grade students who are strong role models and interested in joining student council will be able to fill out an application in September.

Noble PTA's goal is to support Noble families by organizing a variety of academic and community-building events and fundraisers, and facilitating communication between parents and educators. We work to help all students have a great experience while attending their elementary school.
